<b>Other comments</b>					
<b>Expectations from Record Biomap, e.g.</b> - to find consortium partners for possible projects? - do you already know any funding call or other funding opportunities? - attend our planned workshops? - to find customers?	The company is interested in the opportunities to offer its services to the benefit of the development Of green energy sector and improving waste management and smart technologies, thus ensuring higher environmental protection. The company also desires to find consortium partners for potential projcets, attend specialized workshops, and find customers.
