	<i>Research unit</i>		✓			
	<i>Consulting company</i>		✓			
	<i>Engineering company</i>		✓			
<i>Production company</i>		✓				
Experience in research projects			✓			
Other comments	No					
Expectations from Record Biomap, e.g. - to find consortium partners for possible projects? - do you already know any funding call or other funding opportunities? - attend our planned workshops? - to find customers?	With the opportunity of being recorded on the Biomethane Map, our cluster aims to widen its international relations for cooperations in know-how and R&D activities, technology transfer, participation in applications for EU funds, partner search and collaboration in other areas of mutual concern.
