Merry Christmas and an important date to save!

Dear Biogas / Biomethane Stakeholder,

with this newsletter, we would like to thank you for your attention and your support during this year!

By now the [Biomethane Map](#) has more than 70 entries of European technology developers, who present their technologies aiming at a more efficient biomethane production at small to medium scale.

Following we would like to use the chance to announce our next event!

Free Webinar for investors and biogas/biomethane stakeholders – 21st February 2018, 1 - 5 pm CET

Save the date for our upcoming webinar about innovative technology solutions for small scale biomethane production!

Some very promising technologies with special focus on biogas upgrading will be presented. Register for free and get in touch with the technology developers by chat.

Please click [here](#) to learn more about the foreseen program and how you can register. You are also welcome to forward and share this e-mail to other biogas/biomethane stakeholders or investor groups.

Merry Christmas and a wonderful holiday season!

With best regards,

the Record Biomap Project Team
